

# Evidence Checklist - Activity 4

---

## Learner details

Name: \_\_\_\_\_ Date: \_\_\_\_\_

## Completion

- ☐ I read the scenario and role constraints.
- ☐ I completed every numbered step in the README.
- ☐ I labelled observations, assumptions and inferences.
- ☐ I recorded the evidence source for each important conclusion.
- ☐ I considered at least one competing mechanism.
- ☐ I stated a containment or follow-up action proportionate to the risk.
- ☐ I kept confidential information out of the submission.

## Activity-specific acceptance criteria

- ☐ At least three module interactions are identified
- ☐ Containment protects downstream lots
- ☐ The proposed test distinguishes competing causes

## Peer challenge

Peer name: \_\_\_\_\_

Most important challenge raised:
